

	price	amount	total per UFO	total per center	total per table	total per price/tables
14 sheet red	\$7.20/200 sheets	min. 10 sheets per UFO	116.01		200.73	The price of sheet flutecuts: this is how much a 200 sheet of 1/4 case 2112 at Metax 4 U in Round Road, which was the cheapest we were able to find. Each UFO requires about 18 sheets.
Fluorescent	\$9.90/unit	1000 ft per UFO	72.15	32.44	216.36	
		8 eq 8 (12 pins) per center			64.88	
		2 pins for complete		21.63	21.63	
LED String Lights	16.99	3		16.99	50.97	
LED Market Lights	17.99	3	10.47		53.43	
Smoke Machine	44.78				44.47	depending on price, maybe we want a couple?
1 sheet of 10 ft by 10 ft	880				44.00	to make legs and pedestals
12 in red	\$13000 ft				14.07	maybe one, or two, to use just to make sure things get held up and don't fly away
paint	13.90/unit	> 3 per table, 1.2 center/tables	45.43	15.14	15.14	85.71, guessing that spray vinyl/flat paint is what we want to use, but we need to test both different paints
					1076.43	

*budget does not include many incidentals, festooners or consumables required to make the art. this is just an overview on main materials required
