## notes

The price of steel fluctuates- this is how much a 20ft stick of 1/4 cose 2/13 at Metals 4 U in Round Rock, which was

depending on price, maybe we want a couple?

to make legs and incidentals

maybe one, or two, to use just to make sure things get held up and don't fly away

guessing that spray vinyl/fabric paint is what we want to use, but we need to test different paints

nables required to make the art- this is just an overview on main materials required
